TRRC Adopt-a-Street Litter Pick Up

Time counts toward your annual assessment!

It's time again to help make the club's community a nicer place, to show the public that the club is a contributing member of the community, to foster better relations within the community and to get some inexpensive advertisement for the club. It's time to pick up litter.

As part of the Adopt-a-Street agreement with the city, we need to pick up litter along our adopted section 4 times a year. The area we have adopted is from the Lakewood/U.P. city boundary on Bridgeport Way (where the creek goes under the road) to 67th Ave. Then we go north on 67th Ave. to Cirque Dr. W. This is approximately one mile.

Before we pick up litter, we will meet at the TRRC to sign in and distribute equipment as needed.

The dates scheduled at this time are:

Thursday, July 24th - Meet at 1700 hours

Thursday, September 11th - Meet at 1700 hours

For questions or suggestions, call Dan Hacker at 565-8173
